

Happy Earth Week! MARTA showcases its commitment to sustainability this Earth Week with two free, family-friendly events on Saturday, April 20, that highlight the Authority's environmentally conscious community programs and its continued transition to electric vehicles. The Rapid Summerhill Bus Rapid Transit project will operate on fully electric buses. The electric vehicle car show, from 1-4pm at the West End Mall is a great way to see one of the electric buses in MARTA's Fleet. ## Construction Impacts:

Over the next month, construction will be concentrated along the northbound & southbound sections of Hank Aaron Drive between the I-20 on ramp and Ormond Street. Traffic will continue to shift to the outer drive lanes so that construction crews can work in the interior lanes. Please pay attention to signage and team members directing traffic as needed in this area.

Community members can expect the following construction impacts:

- Construction noise from 7:00 am-4:00 pm during working hours
- Periodic lane closures
- New traffic patterns
- Traffic detours and delays
- Asphalt paving
- ADA ramp improvements
- Relocation of utilities
- Periodic sidewalk closures for reconstruction
- Tree removal & replacement *(in partnership with Atlanta Beltline and Trees Atlanta)*

Weather and timing play crucial roles in construction and some allowances are needed to keep the project on schedule. Some jobs may need to continue after scheduled hours when traffic is at its lowest, but these jobs will comply with local noise ordinances. If weather delays occur during the week, the construction team may need to work during weekends. Please note any posted signage for potential impacts due to these changes.

## Bus Stop Impacts

**BUS STOPS THAT NEED TO BE TEMPORARILY CLOSED FOR CONSTRUCTION WILL HAVE BUS STOP SIGNS COVERED WITH CANVAS BAGS AND A-FRAME SIGNAGE MAPPING THE NEAREST STOPS. FOR RIDER SAFETY, PLEASE DO NOT ATTEMPT TO BOARD OR DEPART FROM BUSES AT STOPS THAT ARE NEAR ACTIVE CONSTRUCTION.**

# RIDER ALERT

### Temporary Bus Stop Closures:

All bus stops directly on Hank Aaron Drive will be impacted by construction during this process. Please use the rider alert above which is also posted at bus stops along the route to find your nearest stop. **As construction progresses, the construction team will shift traffic to the outer lanes to continue work on the inner traffic lanes. Please note posted signage as some bus stops will need to be relocated to accommodate traffic shifts.**

Our team has identified the following stops that will need to be closed during most of 2024 to accommodate station installation:

- **Southbound service** at Georgia Ave, Bill Lucas Drive, Ormond Street, Vanira Avenue and Haygood Avenue
- **Northbound Service** at Haygood Avenue, Vanira Avenue, Ormond Street, Little Street, Bill Lucas Drive, Georgia Avenue and Fulton Street

'No parking' signs have been placed along Hank Aaron Drive to prepare for future resurfacing.
